

**FANTASTIC VILLA FOR RENT IN FRONT LINE
 IN AIGUABLAVA, BEGUR**

Ref: RAB520

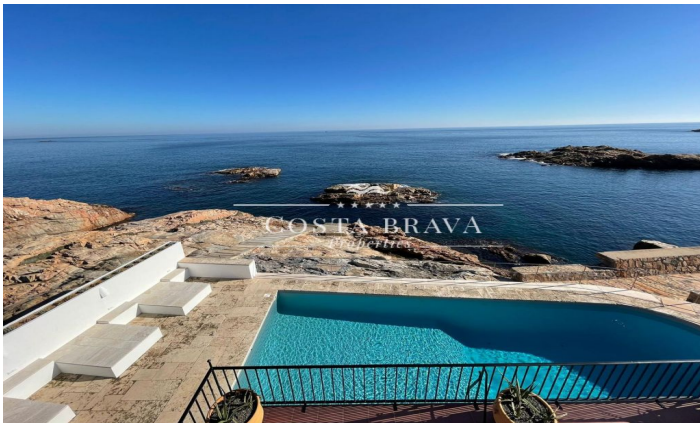

This seafront Costa Brava property is ideal for 16 people and located in one of the most exclusive bays of the entire coastline and boasts sensational views and direct sea access. The first line Begur property is situated amongst the fishermen's houses overlooking the private port of Aiguablava in Fornells with views across the bay to the beautiful Aiguablava beach. A more idyllic location is hard to imagine. Constructed in 1960, the house offers 6 suites, 2 double bedrooms and 9 bathrooms, a lawn garden and salt water swimming pool. Almost all the living areas are orientated to the south and the views are sensational from every corner of the house. The property is also one of the few houses in the Costa Brava to benefit from direct sea access and it even has a private slipway to launch a small boat. The property, which would benefit from updating (including bathrooms and the kitchen) has a three car garage and is equipped with an elevator, providing access to all three floors.
